

HOLIDAY BATTLE ROYALE

The Holiday Battle Royale is a spin-off of our Classic Adventure game, but with a few twists. For starters, it can be played ANYWHERE: inside, outside, on a boat, in a ballpark, or on the go. All of the missions and challenges have no ties to a particular location, giving you the ultimate flexibility.

AND... it's designed just for the holidays and can come in Holiday or Winter Wonderland themes, making it the perfect addition to your celebration.
