

# ROCK THE BLOCKS

Picture this: you and your crew will be tasked with crafting a jaw-dropping Lego creation invention AND whipping up a killer pitch to sell it.

Once you're in the zone building your brick masterpiece, get those brains buzzing because you'll need to come up with a pitch that knocks everyone's socks off. But here's where things get spicy - after all teams have presented their mind-blowing creations and pitches, the group gets to cast their votes for the most impressive combo. It's an adrenaline-pumping mix of strategy, teamwork, and pure creative genius.
